Github Repository:	nksachin1228/Python	Date:	10/06/2020

Progress on 10-06-2020

• Topic Completed Today

The screenshot shows a web browser window with a video player. The video title is "Sets: Mathematical set operations". The video content includes a red circle representing a set, labeled "album_set_1 = {'AC/DC', 'Back in Black', 'Thriller'}. The video player has a progress bar at 2:59 / 5:12 and a speed control set to 1.0x. Below the video player, there are links for "Download video file", "Download SubRip (.srt) file", and "Download Text (.txt) file". The video player interface also shows the Cognitive Class logo and a copyright notice for IBM Corporation.
